Dear National Service Team & Project Managers,

Providing excellent service to our National Contractors is very important to us. It has been our pleasure to partner with your company over the years and appreciate the work you have provided us.

For those that we have been working in the Oregon and Washington Areas, we thank you!

In case you did not know we have expanded and opened an office in **Orlando Florida** area with intentions to expand to other parts of the state.

As we continue to grow and expand, our focus is to maintain fast and reliable response times and a knowledgeable team of Field Service Technicians.

Our service areas are equipped with licensed and certified technicians – to provide our customers with the highest standards of service. We maintain licensing, insurance, and bonds in Oregon, Washington, and Florida.

We offer a comprehensive range of services and support:

- *Telephone Systems*
- *Data Networking*
- *Wireless Networking*
- *Audio/Paging Systems*
- *Satellite & CATV Systems*
- *Door Access Control*
- *Video Surveillance Systems*
- *Security Alarm Systems*
- *Voice/Data Cabling*
- *Fiber Optics*

Advanced Communications Services, Inc would love the opportunity to serve and support your team not only in Oregon & Washington but also in the **Orlando Florida** area.

Our mission is to provide professional, prompt, and reliable service to every one of our Contractor’s Customers.

In case we are not set up yet we would like to add our Orlando Florida office to your Dispatch requests.

Please reach out and let us know what we need to do to accomplish this.

Many thanks for your time and consideration.

Sincerely,

Joseph Foti - President

Advanced Communications Services, Inc.
